

2009 Shared Youth Vision-Peer to Peer (P2P) Regional Conference Series

Between April and September 2009, teams from Shared Youth Vision states will convene in the locations identified below to share successes, lessons and future plans. The Peer to Peer Regional Conference will also give state teams an opportunity to delve deeper into statewide action planning – refining and modifying existing plans – “roll up their sleeves” and utilize proven tools and strategic planning concepts to solidify long-term local investment approaches and create a strategic action plan to be used in their state work. Each forum will be unique and specifically designed for the teams that are attending. Agendas will be developed after facilitated cross – state conversations

Members of your state's Shared Youth Vision team and regional or local representatives involved in your efforts are invited to attend. Your state lead or designee will register the name and contact information of all team members attending. States may register to attend any P2P meeting in the location of their choice. There is no registration fee for this forum. States are responsible for their own travel and hotel accommodations.

Register online at <http://www.schoolandmain.org/>

Hotel, logistical information, and other conference instructions will be forwarded after you register.
